Hey all,

You'd think that it was closer to the holidays than it is ... we've been busy little elves around here and you are all invited to stop in and see what we've been up to. We have several new Block/Project of the Month programs that we will be starting right away. We have everything from big quilts to small projects.

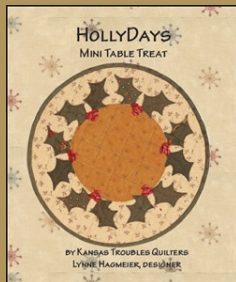

Saturday, November 19th - 9:30 am to 5:00 pm

Cotton Club Civil War Quilt
Kansas Troubles Anniversary Quilt
Table Dressings
Kansas Troubles Mini Table Treats
Wee Woolies

We're pretty excited about these projects so decided that we need to throw a "party" to introduce them. You can stop in any time of the day and we'll be happy to give you the why's and where-fores of each of the projects. If you wanted to get started right away, we'll have kits ready for you to take with you. You might also want to drop a few hints to the family that these make great gifts (for you!) that will keep the giving going all year long!!

We hope you'll join us ...

Along with these great new projects, we'll have the stuff from Quilt Market start to be dribbling in, so we'll have a smattering of new stuff you can take a peek at.

We also wanted to let you know that we have a bit of a change of plan for the day after Thanksgiving. We traditionally do our Midnight Madness sale, which has been a Dansville-wide sale for many years. This is also the time when we have family visiting and each year we never to get to spend as much time as we want with them.

So we'll be CLOSED the day after Thanksgiving (November 25th), but will be OPEN on the 26th, and will have our "BLACK FRIDAY" sale the following weekend - December 3rd.

Come for a "relaxed" sale

This is the perfect time for you to get your ducks in order for that long-awaited, after Christmas sewing! From now until the holidays, things are a bit crazy and your sewing machine gets very lonely. Bet we all know that after the holidays, we like to re-introduce ourselves to our sewing rooms.

So make your list - check it twice and we'll see you on the 3rd !!!
